The sign of hope and

FOREWORD

That we may recall more vividly in days to come the years spent at Lower Paxton, we, the class of 1946, proudly present our edition of "The Ranger."

The philosophers of ancient times believed the course of life to be influenced by the twelve constellations within the Zodiac, but we acknowledge that man is not bound to a prearranged path alone. Rather, by intelligent use of his education, he can greatly determine his own path. We have chosen, therefore, the Zodiac for our theme.

Alma Mater

We hail thee, Alma Mater
Our gallant white and blue;
As we leave thy threshold
We're ever staunch and true.

As we shall, in days to come
Dream of high school days,
Our hearts and lips shall sing again
Our school's ne'er ending praise.

May your glories ever rise
And keep pointing higher up, toward the skies,
And as we say, "Farewell to thee,"
We hail thee ever,
Alma Mater.

. . . In Recognition

NEVIN W. MOYER

Teacher

1896 — 1946

AT THE CLOSE of this school year, Mr. Nevin W. Moyer will retire from service after having completed fifty years of teaching in various schools of Pennsylvania, Georgia, Belgium, and France. For many years he has faithfully and ably taught at Lower Paxton. It is in recognition of this unusual record that we wish to pay tribute.

Mr. Moyer was born May 28, 1876, on Running Pump Farm in Lower Paxton Township. Through the years this spot has been very precious to him. In 1932 he purchased it for his own.

His early education was received in Ling-

lestown. He studied at the Linglestown Select School, a normal school, and he believes that he is the last of this school's graduates to be still teaching. Later he attended Millersville and Lock Haven State Teachers' Colleges.

For fifty-five years he has been a Sunday School teacher, and is proud of the 50 year gold service medal received from the Penna. State Sabbath School Association.

His military career has been both long and unusual. It began in 1891 when he took part in the Linglestown Sham Battle. In 1898 he volunteered for service in the Spanish American War. From 1902 to 1919 he gave continuous service in the National Guard and the U. S. Army, helping to quell the Mexican trouble in 1916-17. When the United States entered World War I in 1917, Mr. Moyer was with the first army, the 28th division, sent abroad. In France and Belgium he fought in the front lines in three main drives.

During his long lifetime Mr. Moyer has become an authority on local history. He has gathered together a collection of hundreds of local stories and has collected and labeled thousands of local and national historical objects. His private museum is unique.

In summarizing his busy life Mr. Moyer says: "My mind and body were always busy, when not for myself it was for the good of my fellow man — past, present, and future. I idled no moments away."

Now at the close of fifty years well spent in a teaching career, Lower Paxton, its faculty and students, wish for Mr. Moyer many years to enjoy the rest and happiness which he has so richly earned.

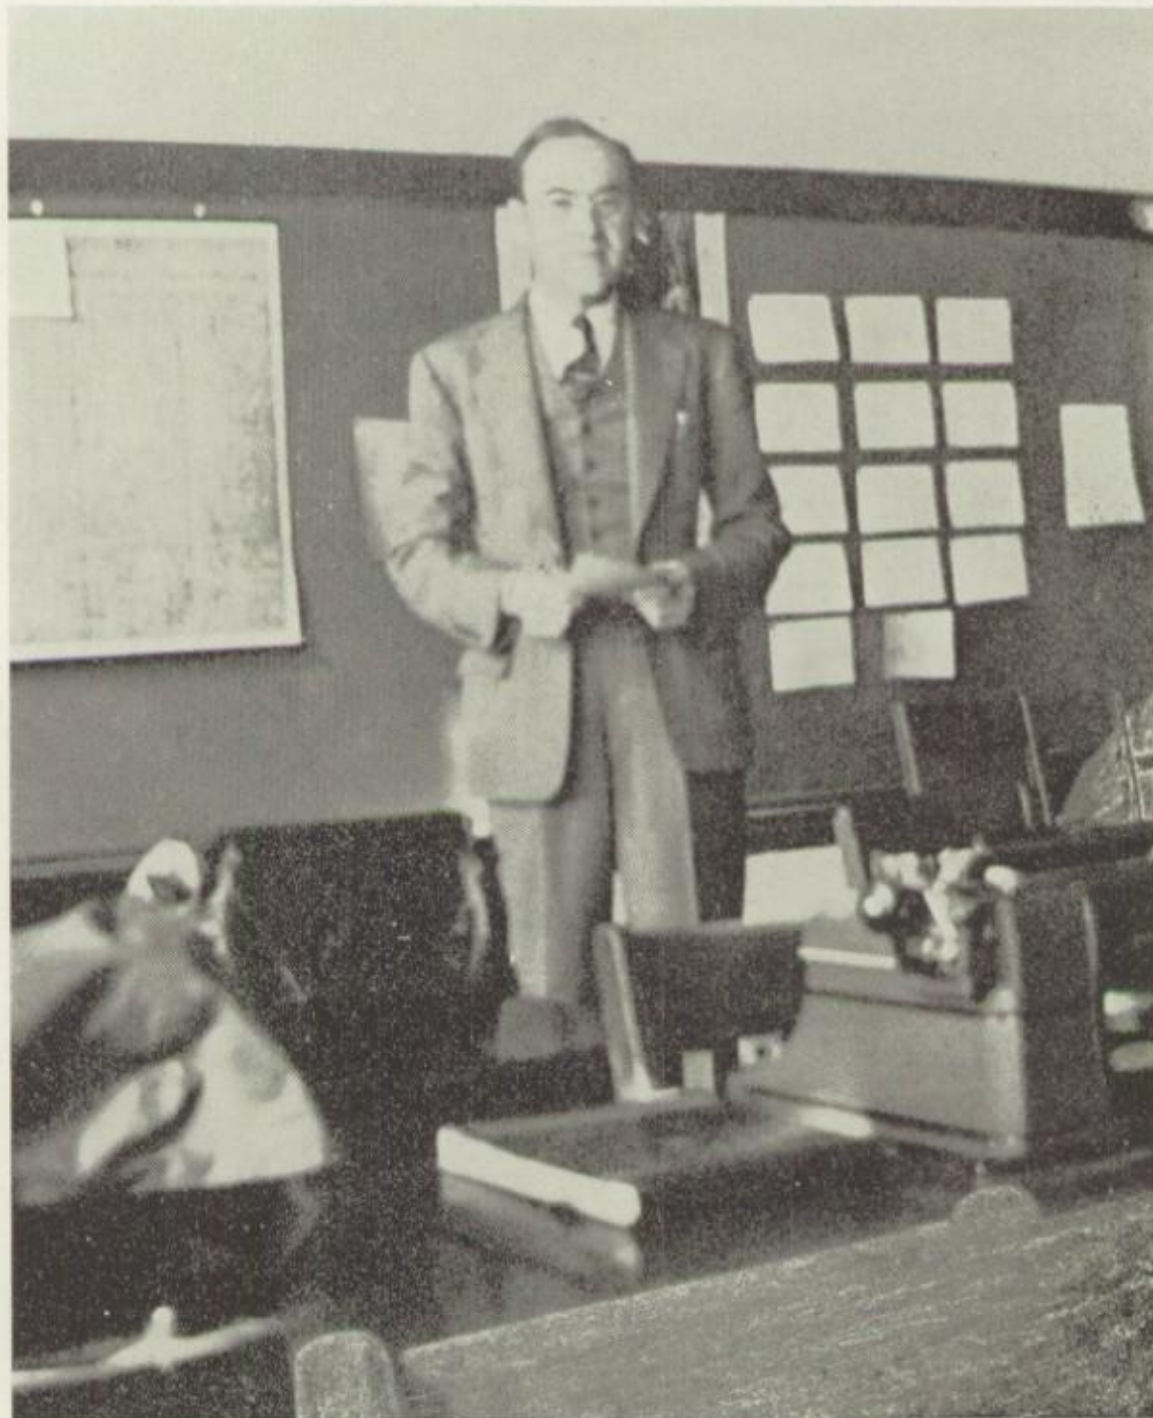

We Dedicate . . .

Alfarata Stamets

. . . this edition of "The Ranger" to Miss Alfarata Stamets, our friend and adviser for the past four years. It has been her guidance and understanding that has led us on the paths to attaining our goals.

. . . In Appreciation

Walter E. Shank

. . . . TO MR. Walter Shank, our Staff Adviser, for his untiring efforts in helping us produce this edition of the "RANGER," we wish to express our deepest gratitude.

PUSH GAILY ON

Robert Louis Stevenson

He has but turned a corner—still
He pushes on with right good will,
Through mire and marsh, by heugh and hill,
That selfsame arduous way—
That selfsame upland, hopeful way
That you and he through many a doubtful
day
Attempted still.

He is not dead, this friend—not dead,
But in the path we mortals tread
Got some few, trifling steps ahead
And nearer to the end—
So that you, too, once past the bend,
Shall meet again, as face to face this friend
You fancy dead.

1946 Senior Class History

MARY ALICE DALRYMPLE

Historian

ON SEPTEMBER 5, 1943, the halls of Lower Paxton were filled with seventy-nine excited and enthusiastic Sophomores. This being our second year in high school, many of our members were participating in sports and musical activities. In November we held our first organized class meeting and elected our officers. We chose the red rose as our class flower, and red and white as our colors. We also decided to have the "Red Rose Ramblers" for our Sophomore project which was held in May. This proved to be a great success. We had shown that we could work together.

ON SEPTEMBER 4, 1944, a new school year began and once again we entered the halls of our Ranger Home. We soon began making preparations for our class play, "The Fighting Littles." After working patiently for many weeks under the able direction of Miss Stamets, the cast put on an entertainment which delighted everyone. Three of our girls were on the starting line-up of the champion Varsity Basketball team, and quite a few more played often. In March we began making plans for our prom which was the second to be held at Lower Paxton. It was based on the theme of "The Stairway to the Stars." The music was provided by Howard Gale and his orchestra, and everyone had a most enjoyable evening.

AT LAST we were Seniors! Having completed our third year of high school we entered our fourth and final lap. We made a good showing during football season, as there were approximately nine senior boys on the football team, and fourteen Senior members in the band. Immediately after the football season we began work on our yearbook. During this time the six Senior girls forming the starting lineup of the Varsity basketball team did much to bring about the championship for our school. Three of our boys played Varsity basketball. Work was then started on our play "Spring Green," which was given April 5. According to certain members of the cast, play practice must have been quite interesting. We who were in the audience will always remember the grand performance they gave. It seemed hard to believe it, but Commencement was just around the corner. Early in May the Junior-Senior prom was held. A good time was had by all. The Baccalaureate services were held on the 19th of May with Reverend Asper delivering a truly challenging message. Then came May 24, and Commencement. This was the day we had looked forward to with such anticipation. Now we are going forth to make our way in the world. We shall always treasure the memory of our high school days and hope that we have left a record that will challenge classes of the future.

Last Will and Testament

We, the class of nineteen hundred and forty-six of Lower Paxton High School, being of sane and healthy mind, do hereby make and ordain this, our last will and testament. We, hereby declare all former wills so made and ordained by us to be, from this time henceforth invalid. Junior Class History

Gazing at the heavens we see by the stars a brilliant future predicted for the junior class. They have already proved themselves stellar performers in all school activities.

During the football season John Campbell, Richard Witman, Van Hocker, Eugene Staudt, Edward Groff and Ramon Medellin represented the junior class on the squad, while Glenn Hocker was assistant manager of the team.

The basketball teams were resplendent with such names as Norris, Hocker, Staudt, and Campbell for the boys, and Beam, Kocher, Koons, Hoover, and Hirt for the girls. Many juniors filled the ranks of the junior varsity teams as building greater teams for the future.

Junior Class History

Almeda Keiser, Rena Koons, Emeline Albert, and Sarah Geesaman stirred up pep and enthusiasm as Ranger cheerleaders.

In the field of music you find the juniors well represented. Betty Hirt and Marian Beam were representatives of our school in the All School Orchestra of Harrisburg.

For the first time the class displayed their dramatic ability in presenting "What A Life." Keeley Norris proved himself a true comedian while ably supported by Rena Koons, Betty Zakis, Eugene Staudt, Bill McCormick and all the other members of the cast.

The seniors will have no qualms about relinquishing their place to these stars of '47.

FOOTBALL

Although Lower Paxton is one of the smaller teams, it is also one of the mightier members of the Lower Susquehanna Conference. Under the guidance of Coach Robert "Bo" Capello, the "Rangers" won four, tied three, and suffered three defeats. A score tally would not tell the story, for the gallant, spirit and scrappy conduct of the "Rangers" eleven is not recorded on paper.

September 14,—The Lower Paxton "Rangers" played their first game of the year under the arc lights of Island Park. Scoring five times in two periods the proteges of Coach Capello gave a brilliant preview of their football ability.

September 22,—The Litiz "Pretzels" swept to their second win. For three quarters Coach Gilbert's boys had things their own way. But, in the fourth quarter the "Rangers" were not to be denied.

September 29,—The Lower Paxton "Rangers" suffered their worst defeat of the year at the hands of the Tiger eleven. Passing defense and offense made L.P.'s line play of little avail.

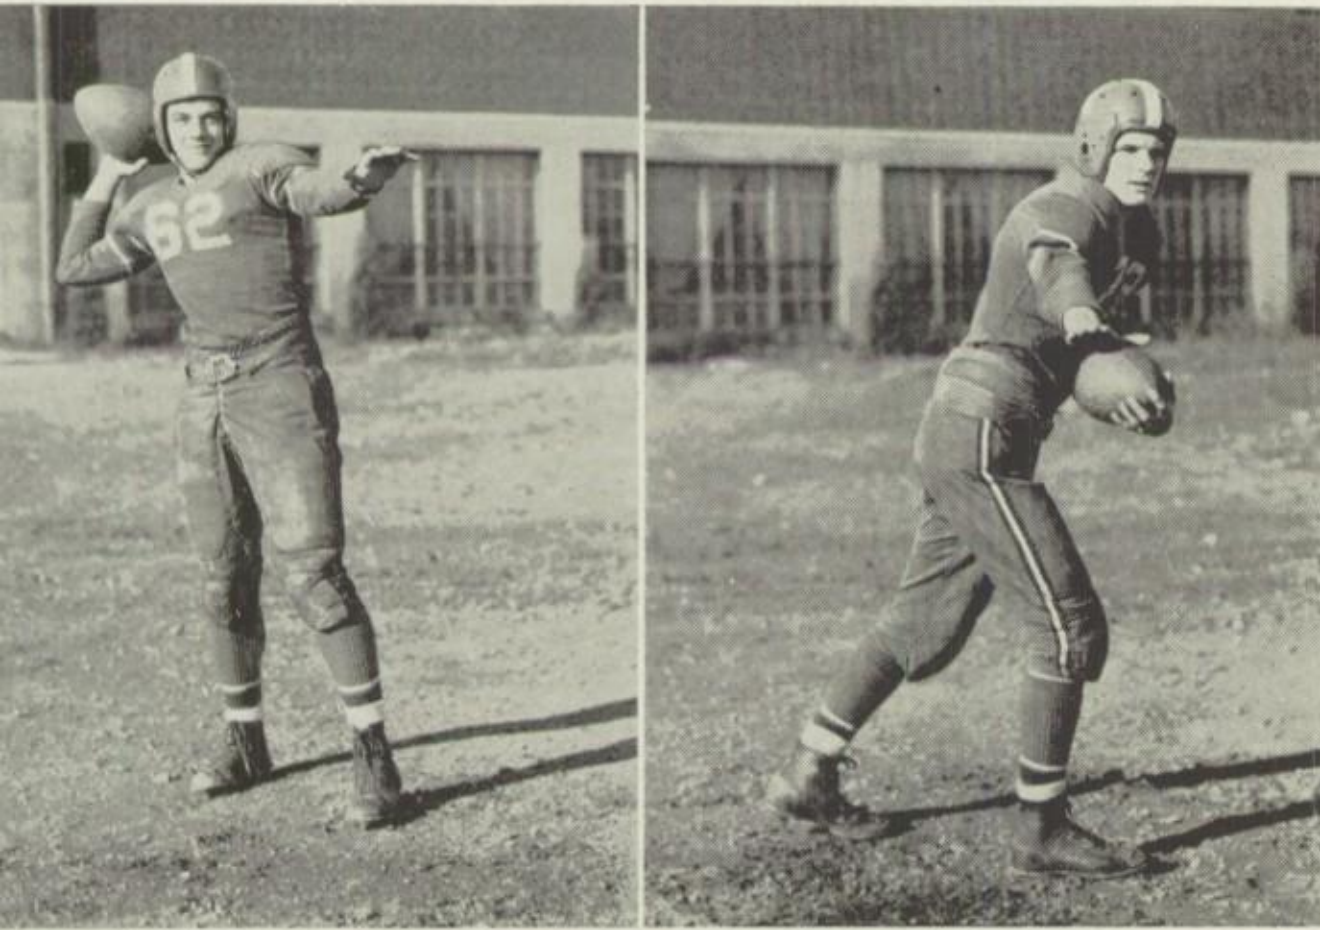

October 5,—Before 2,000 excited fans Lower Paxton's "Ranger" eleven battled the undefeated "Lions" of Camp Hill to a 0-0 tie. Packed with thrills the game was bloody until the last. Both teams threatened but neither had the scoring punch.

FOOTBALL

October 12,—For the second straight year, Lower Paxton's fighting "Rangers" came through in the fourth quarter. Displaying a mixed variety of passes and line bucks which were forged into sustained drives for three touch-downs.

October 20, — "Bo" Capello's "Rangers" kicked off and didn't see the ball till it reached their twenty. Without hesitation Lower Paxton drove 80 yards to score. Defense was dominant until the waning minutes when a Lemoyne Trojan heaved a pass, which set up a six pointer.

October 26.—For the first time this season the Orange and Black of Biglerville tasted the bitter fruit of defeat. The first half found both teams evenly matched. The final periods

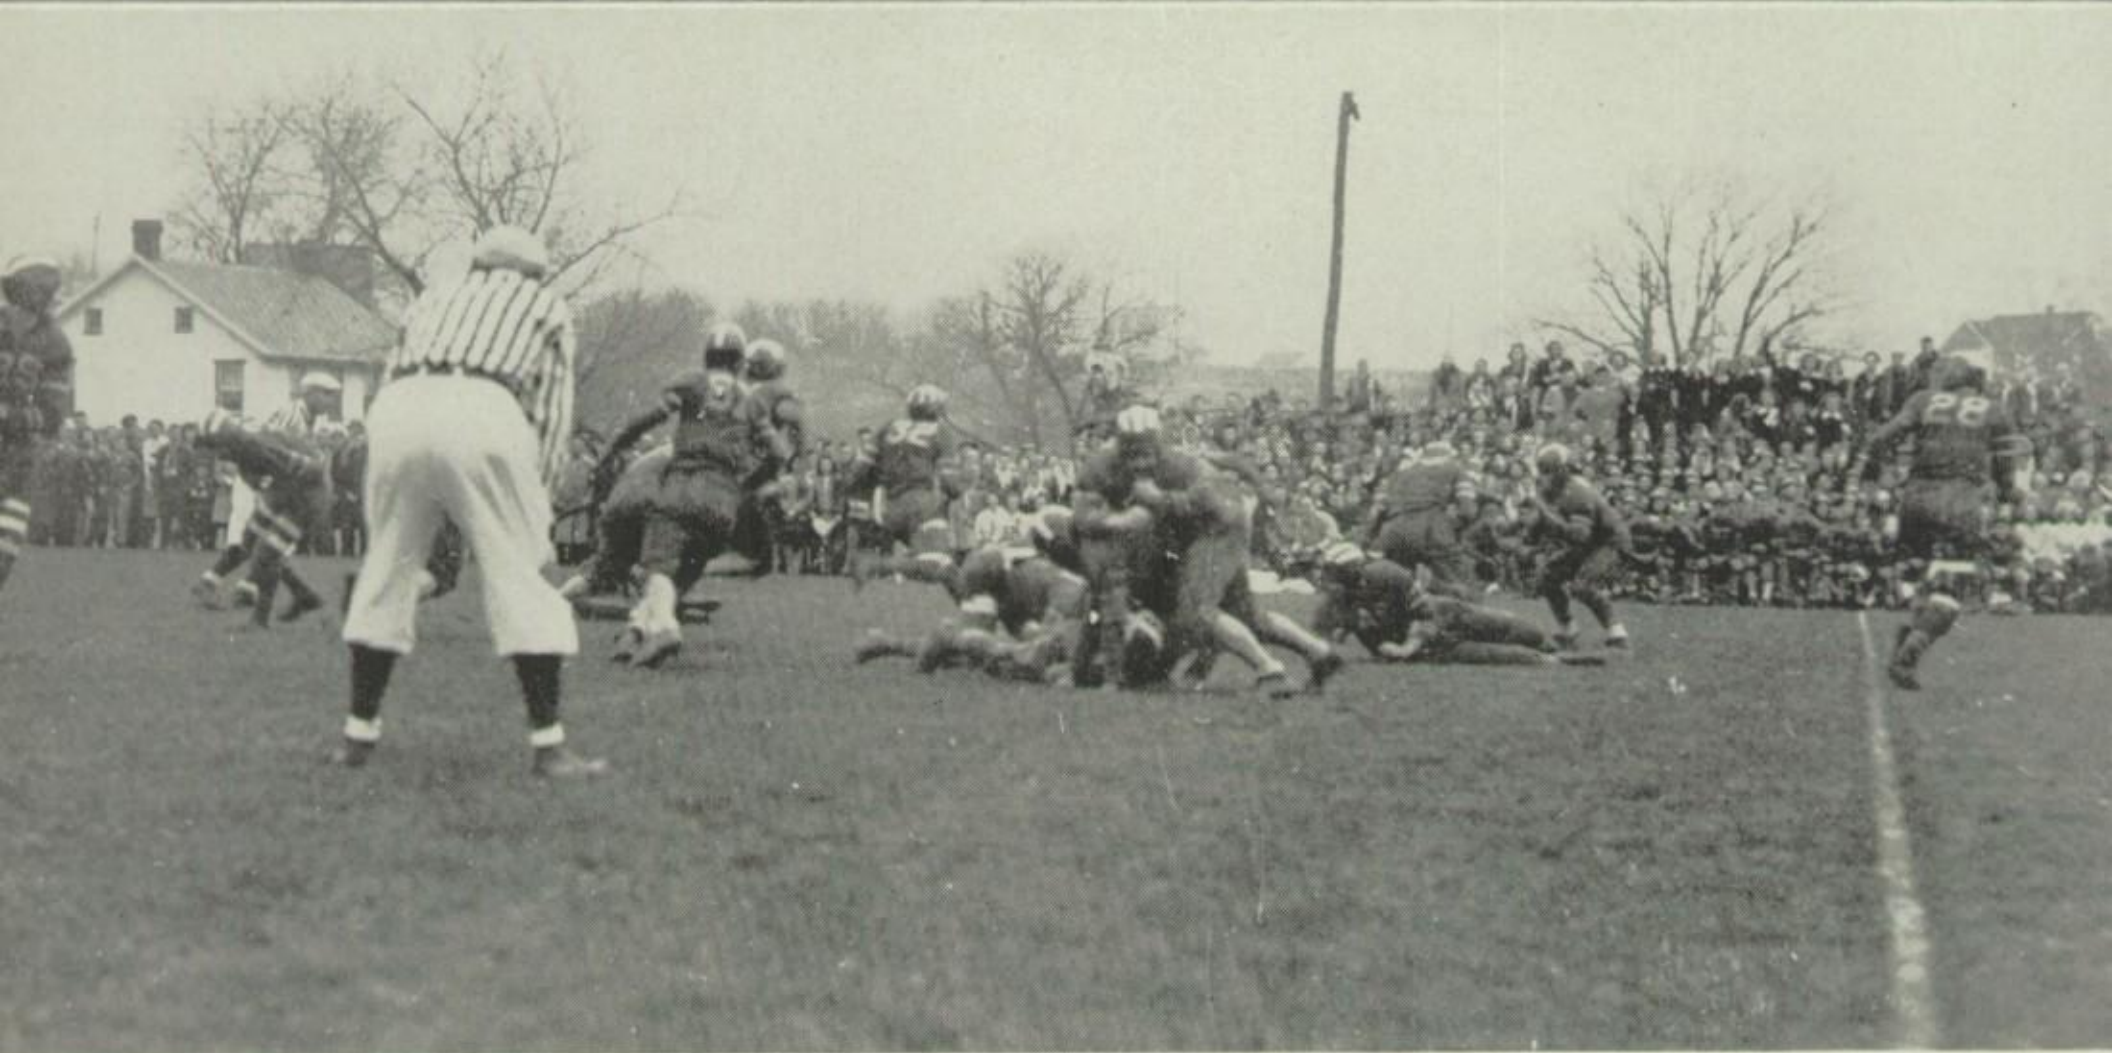

found the Ranger backs running wild behind the lines steadily blocking.

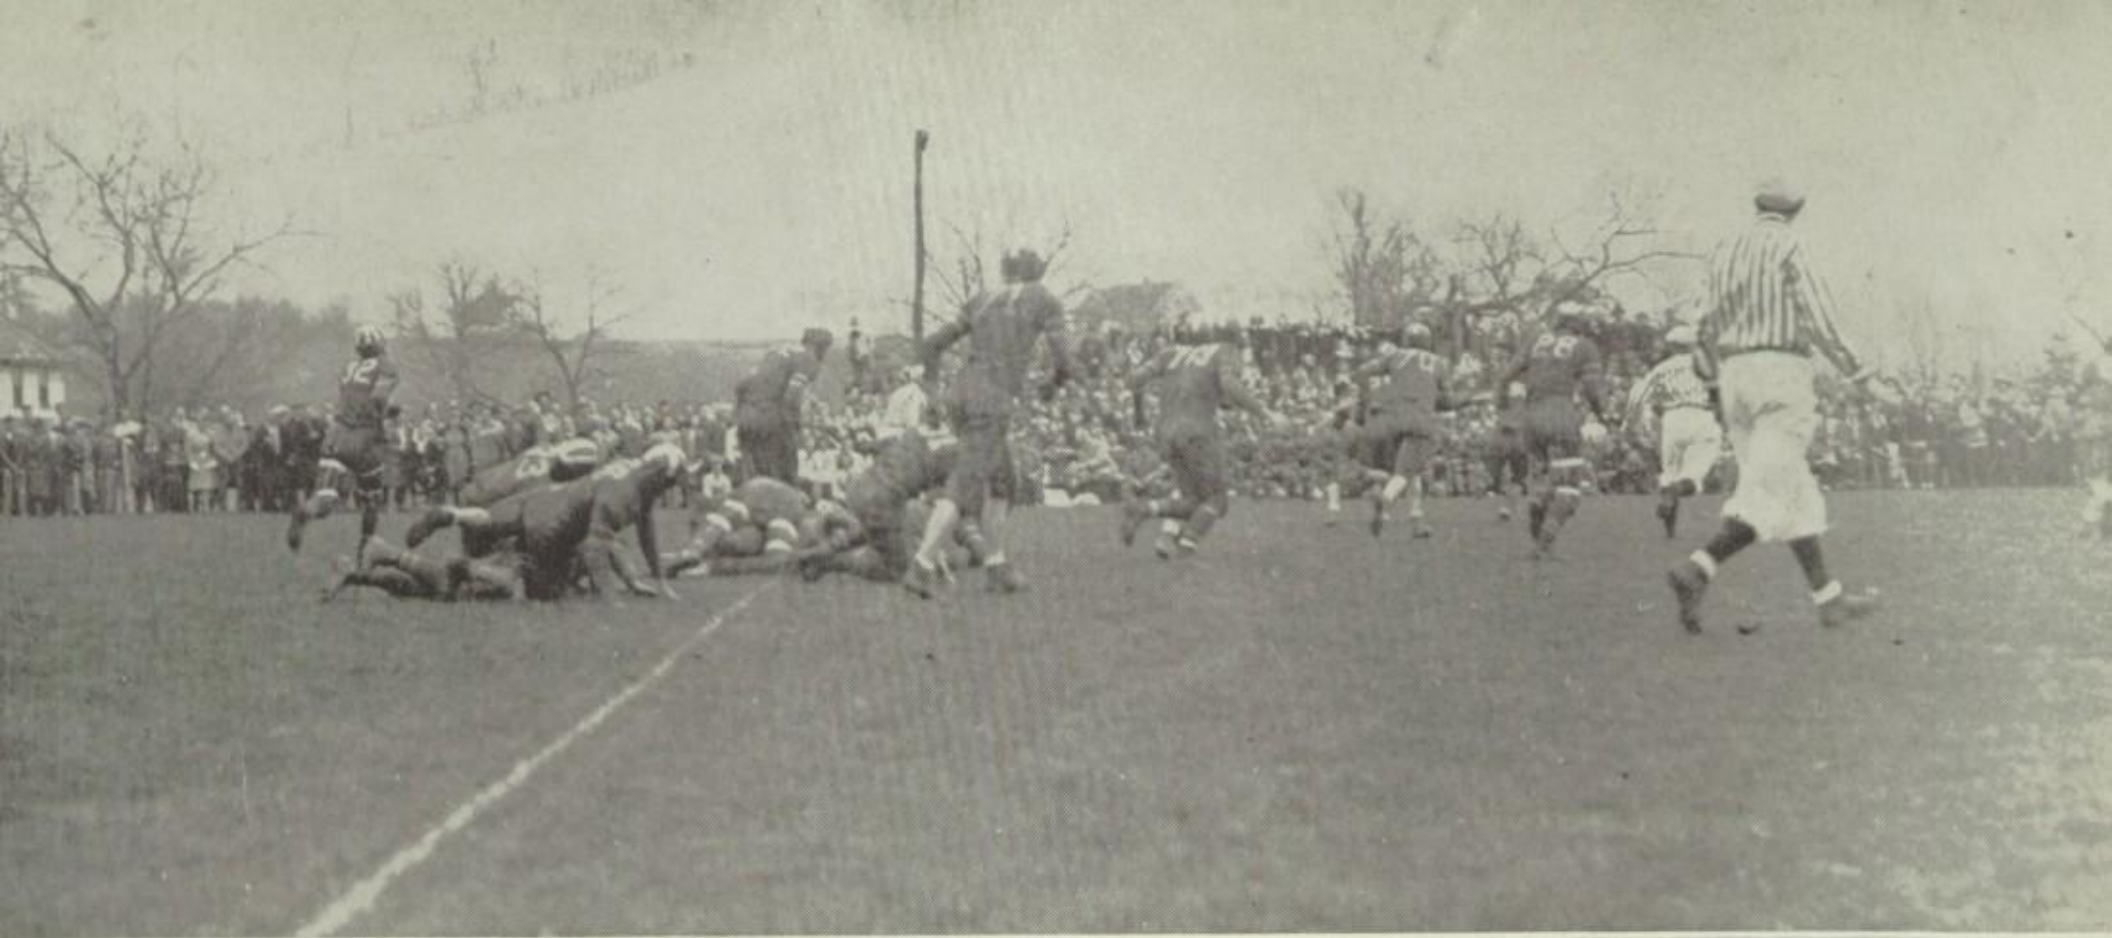

November 3,—On the rain-soaked turf of Island Park, the Lower Paxton Rangers gave the conference-leading Hummles-town Bulldogs one of their toughest games of the year. Not until the final seconds was the score determined in favor of the Bulldogs.

November 9,—On this afternoon the blue and white of Lower Paxton scored a decisive victory over the orange and black of Duncannon. After a Ranger score in the second period Duncannon tied in the third. Without a moment's hesitation the Rangers proceeded to reach pay dirt twice.

November 17,—Before 2,500 excited fans the Rangers and Indians played their traditional game at Progress field. Both teams failed to take the scalp in this game of games. Packed with passes and long runs each team scored twice.

Basketball Team

On March 15, 1946, the Lower Paxton Rangerettes completed its most successful basketball season by nosing out Lykens by a score of 17 to 16. This victory ended a four year basketball career for Donna Garver, guard, and Dorothy Balsley, forward. Other members of the varsity Lois Staudt, Lois Matzinger, forward, and Beatrice Yeakle, Ardis Fry, guards, ended a three year basketball career.

The girls took the Lower Dauphin County Championship for the last three years. This year they entered an eight team league in the Lower Susquehanna Conference. They lost only one game out of sixteen, that to Lemoyne. Winning the Lower Susquehanna Championship allowed them the right to play Lykens in a two game series. They won both of these games. Also played West Chester and were beaten for the first in three years.

The 1945-46 basketball season found Lower Paxton in a new, larger, and more demanding basketball league than they had ever participated in before. The Lower Susquehanna Basketball conference consists of ten of the foremost teams in Central Pennsylvania.

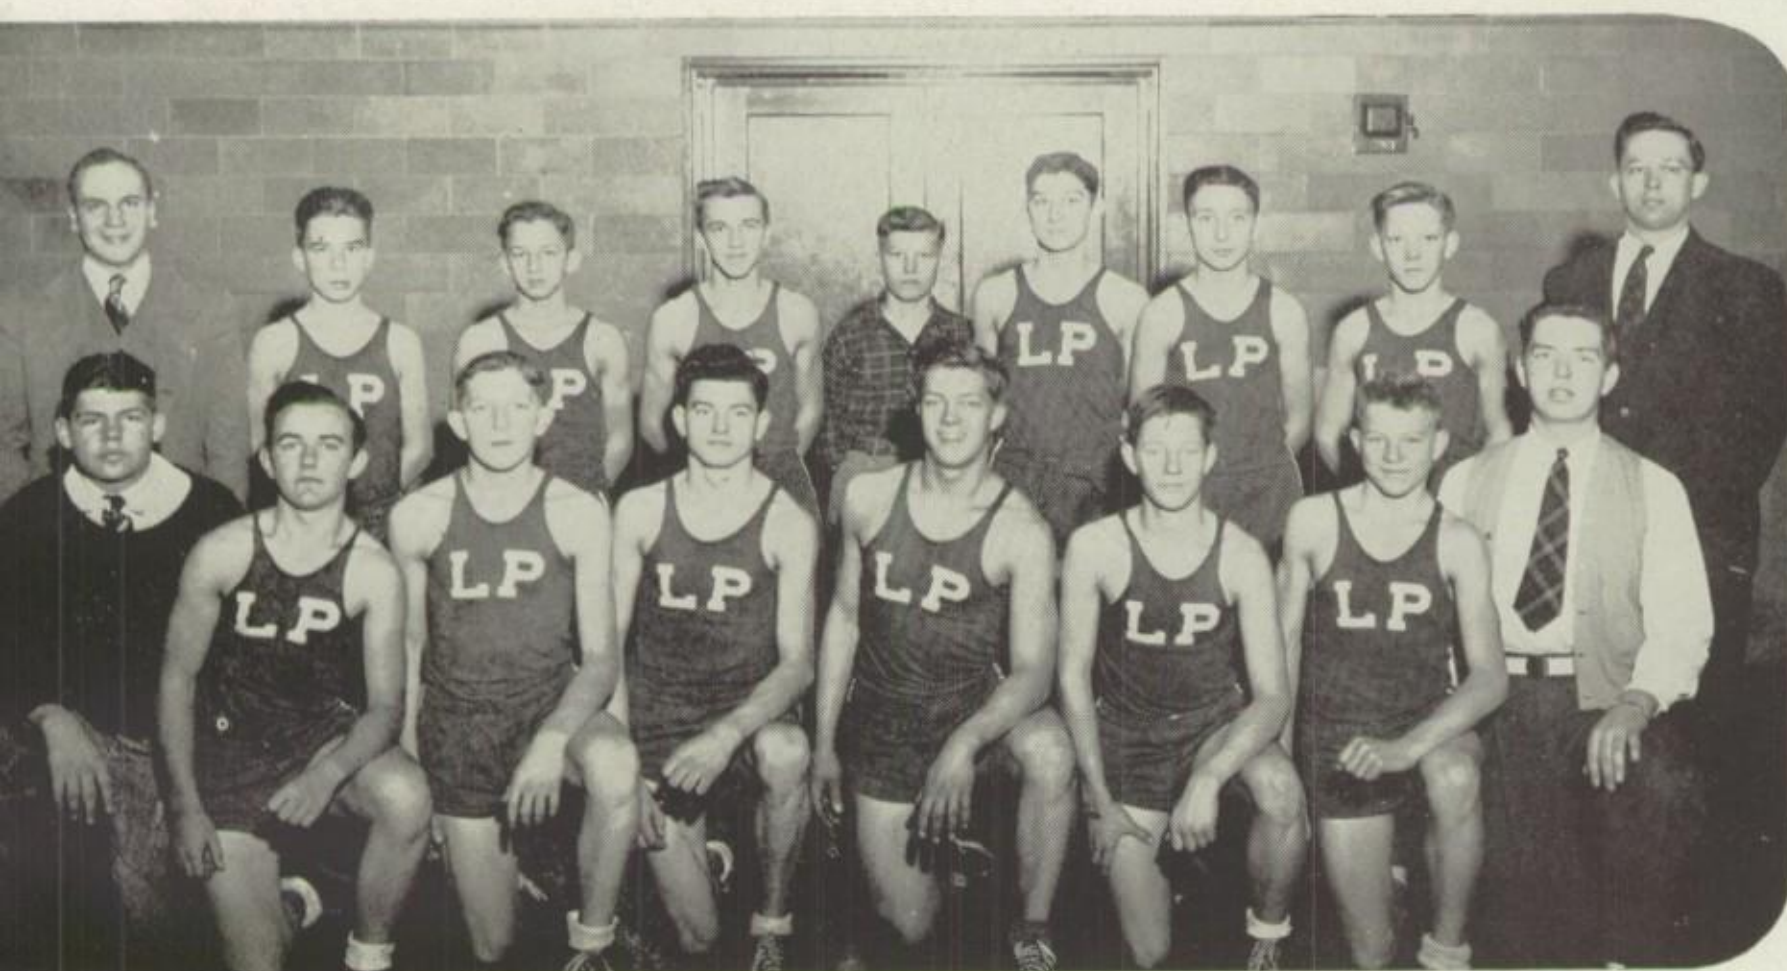

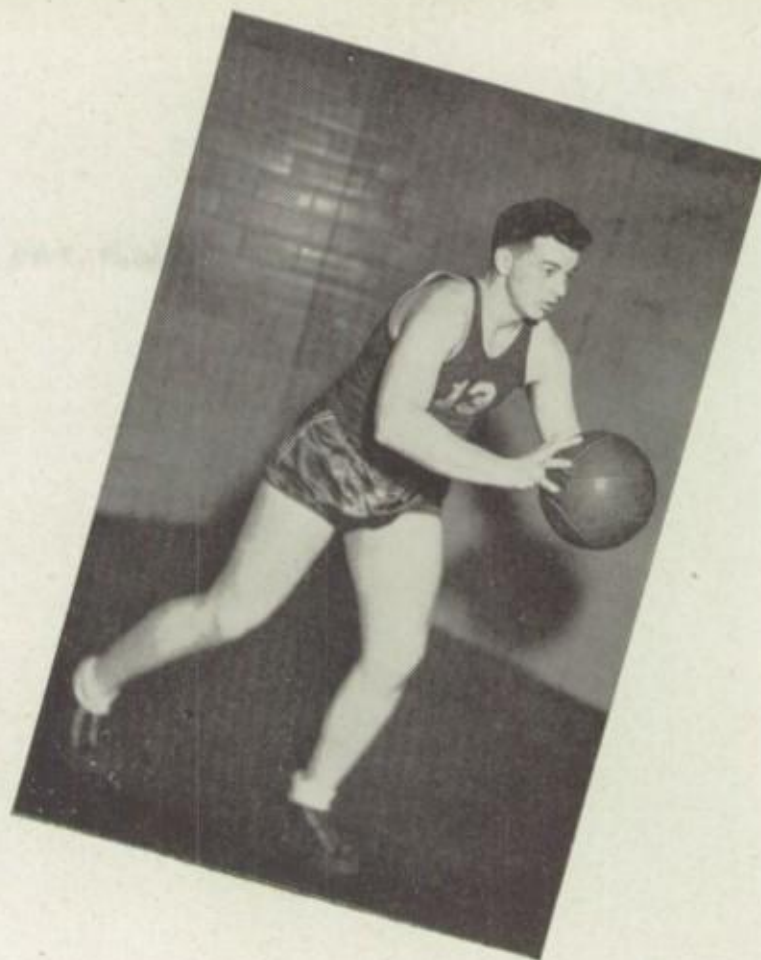

While our boys did not take first place in the league in regard to wins and losses, nevertheless, they did exhibit an admirable spirit and courage. Under the able guidance of Coach Capello the boys in the under classes are building championship teams for the future.

Senior Class Prophecy

Early one morning in 1956, I decided to jump into my flashy rocket ship and visit my old school chums. I hurriedly pushed the diamond-studded button on my bedroom wall and the secret panel opened. There in all its splendor was my dream plane.

I hurriedly took off, but after being in the air a few minutes I ran into some difficulty. It seems that Ann Hocker decided to give up teaching and was learning to fly. Quite some confusion!

I finally reached my destination, Mars. Looking down on earth I noticed Reverend James Swomley, and his large congregation, including, Reba Rudy and Betty Arnold listening attentively. Moving my telescope farther right, I noticed June Hocker and her interior decorating pupils. Among them were Diane Demmy and Adelaide Drake, who were anxiously awaiting the arrival of a new art teacher, Minnie Steigler. A few miles to the left I noticed a quaint little cottage, and glancing inside I saw Mr. and Mrs. Ray Shutt, the former Miss Phyllis Tittle. They were entertaining Mr. and Mrs. Robert Swavelly, who was the former Miss Grace Keiser. Ray was discussing his new partner in the florist business, Robert Brickner. Looking

down on the city, I noticed a large office building. As I watched I spied a smiling secretary entering the swinging door. Looking more closely, I found her to be my old school mate, Joyce Tress. She hurried through a door marked, "Monn and Kaufman, Partners in Real Estate." Peering through an open doorway, I saw Bruce Cobb and James Zimmerman discussing some engineering problems. In an adjoining room we found their secretaries Adele Fetterhoff, Loretta Gingrich, Gloria Herman, and Faye Kline busily typing and filing. Next I located a business school. Miss Lora Mabry was conducting a new filing class; among the students were Jane Tiffany, Janet Morris, and Jeanne Shutt. Looking farther north, I caught sight of the city's largest hospital. In one room Merle Gardner, as a dietitian, was busily at work with her assistant nurses, Doris McGee and Grace McKeever.

As I glanced at my watch I saw that it was very late. I knew I should have been on earth hours ago. As I was about to leave, I tuned in my powerful new television set. In the CBF control room were Ben Balmer and Bill Groff busily operating the sound affects. The announ-

cer, Richard Schreadly, had just introduced his new amateur program. Among the contestants were: Patricia Zeigler, Elston Wickenheiser and Charles Schory, as vocalists, accompanied on the piano by Mary Alice Dalrymple.

I switched off my radio and hurried to the controls of my space ship. I left Mars in a great hurry and felt very delighted to finally see earth again. I buzzed the city for a while and decided to locate the closest news stand. There I was able to obtain the latest edition of the "News."

I turned to the sports page, and quickly glancing through, my eye fell upon a striking article. I read that the former Lower Paxton Rangerettes, now in professional basketball, had won the all state championship. I noticed that a few of the players were former classmates of mine, Dorothy Balsley, Ardis Fry, Donna Carver, Lois Matzinger, Lois Stoudt, June Thompson, and Beatrice Yeakle.

I decided to take in the town. Moving down Market Street I bumped into Helen Winters, with an armful of groceries for

her new home. I soon saw Arden Wickenheiser who told me he was taking a course in Airline Meterology from Richard Swartz, who's secretary is Arletta Staudt.

I remembered my good friend Eugene Patrick was an optician, and decided to have the lense in my glasses changed. After finally locating his office, I was surprised to see Gloria Spangler seated behind the secretary's desk. Just then the door to the doctor's office opened and Kathryn Potteiger appeared, she explained that she was in quite a hurry to go back to

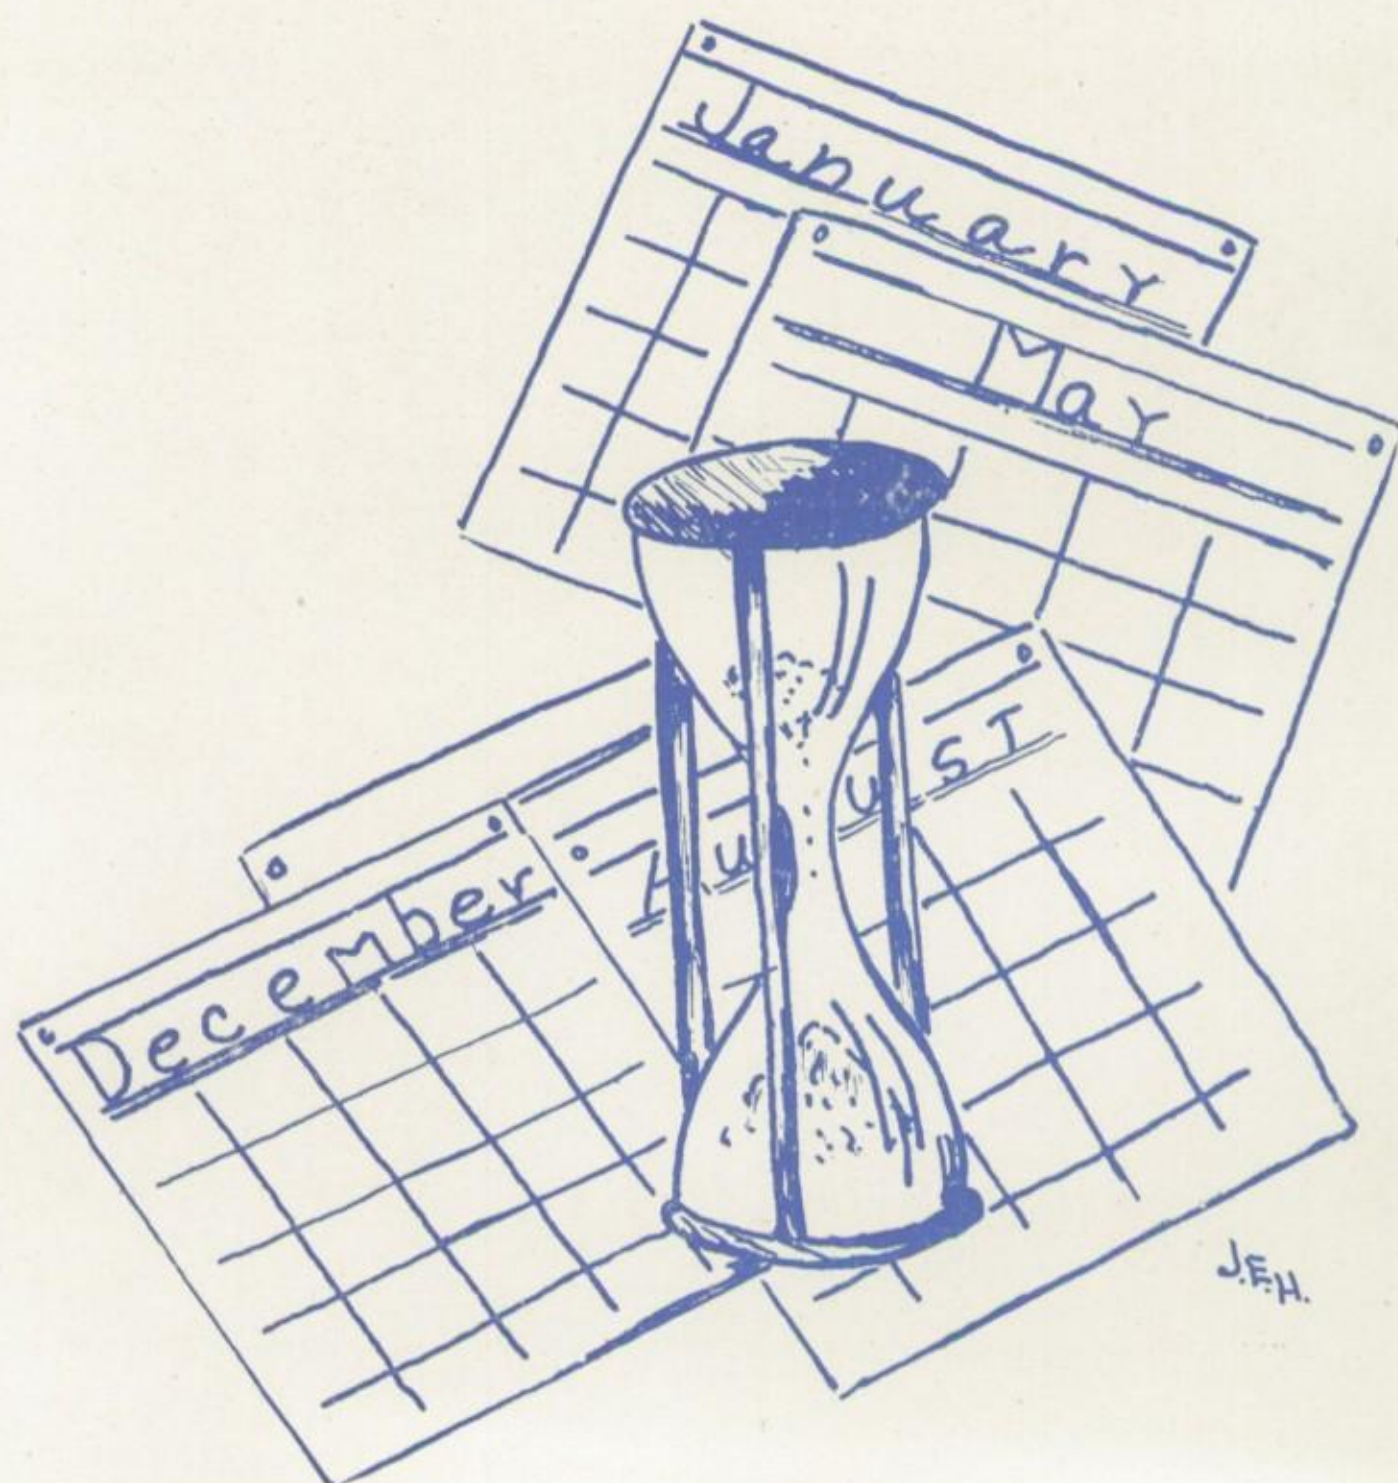

work in the five and ten cent store. She told me Jean McCarthy was a dress designer in New York, and Paul Rogers had just completed a new painting of Richard Nestler plowing in his fields.

It was getting late and being very tired I decided it was time I started home. I thought of all my friends and how well they were getting along in the world. Remembering the wonderful times we had back in dear old L. P. H. S. brought many happy memories to each and everyone of us.

Good Bye and Good Luck

School Days . . .

They cement many lasting friendships. Soon you and your classmates will take different roads, and it may be many years before some of you may meet again. School days do not last forever—and when they are past, memories are kept warm by the photographs of friends and pals of the classroom and campus.

Your chums should have a "personality portrait" of YOU, and you will prize one of theirs in return. In a year or so you will be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the "turning-point" in your life.

This studio is the headquarters for the special photographic work and the doors are open to students of the Lower Paxton Twp. H. S. and their friends.

Why not arrange to come to the studio now and have that photograph taken?
